THE #1 CHOICE OF
PAINTING PROFESSIONALS®

- The MPI performance category is listed under the column titled “MPI.”
- For products that conform to Green Seal standards, refer to the LEED section in the Dunn-Edwards Green Building Guide.
- For a list of LEED-compliant products, please refer to our index in the LEED section of the Dunn-Edwards Green Building Guide.
- For a list of CHPS-compliant products, please refer to our index in the CHPS section of the Dunn-Edwards Green Building Guide.
- Go to **www.dunndwards.com/productspecguide** to download the most current project specifications, Product Information sheets, MSDS sheets, and other pertinent information for your project.
- For questions regarding Dunn-Edwards products or colors, please contact your local Dunn-Edwards Representative.
- You may also order color chips directly from our website **www.dunndwards.com** or by calling our Customer Service Department at **888.337.2468**.
- If you are looking for a specialty product that we currently do not manufacture, please contact your Architectural Services Representative and let us help you find the appropriate product for your project.
